

Cyber Crime Fighters: Tales from the Trenches

Cyber Crime Fighters: Tales from the Trenches offers one of the most insightful views of the latest criminal threats to the public: cyber crime. This book provides a good primer on how your personal information can be easily obtained by some of the folks you least want to have it. Maureen Boyle, crime reporter, The Enterprise of Brockton, MA Experts Felicia Donovan and Kristyn Bernier pull no punches in explaining the dangers lurking on the Web, from identity appropriation and theft to using new technology and the Internet to facilitate real-life stalking. Parents especially will be shocked at how easy it is for predators to target and solicit children online. By clearly explaining the dangers that lurk online and highlighting practical tips to minimize your risk, the authors have created a book that not only educates but empowers readers to protect themselves. Jennifer Hemmingsen, columnist and former public safety reporter, The (Cedar Rapids, Iowa) Gazette Written by leading cyber crime investigators, Cyber Crime Fighters: Tales from the Trenches takes you behind the scenes to reveal the truth behind Internet crime, telling shocking stories that aren't covered by the media, and showing you exactly how to protect yourself and your children. This is the Internet crime wave as it really looks to law enforcement insiders: the truth about crime on social networks and YouTube, cyber stalking and criminal cyber bullying, online child predators, identity theft, even the latest cell phone crimes. Here are actual cases and actual criminals, presented by investigators who have been recognized by the FBI and the N.H. Department of Justice.
