

Daddy in the Making (St. Valentine, Texas)

Come here, cowboy. Luminous gray eyes long dark curls come-hither smile. For months, Conn Flannigan was haunted by tantalizing images of a night he couldn't remember and a woman he couldn't forget. He'd returned to St. Valentine to find her and recover his lost memories. The instant he spied Rita Niles, Conn knew he was in the right place. Could he prove he wasn't the footloose playboy he used to be now that he was going to be a father? No more cowboys! That was Rita's philosophy until the single mom met that gorgeous Texas heartbreaker. Now she was having Conn's baby and the daddy-to-be wanted her to give him another chance. But who was the real Conn? Was she ready to trust her future to a man who could take off and leave her high and dry again?
