

Dancing in the Dark (The Toby Peters Mysteries Book 19)

To save a film stars fingers, Toby Peters gives dance lessons Fred Astaire has a headache named Luna. The moll of a well-known Los Angeles gangster, Luna has demanded dance lessons from Hollywoods finest hooper, and whatever Luna wants, Luna gets. But after two lessons with the lead-footed lady, Astaire tires of her making passes at him, and hires famously discreet private investigator Toby Peters to break the news gently. Trouble is, Luna and her boyfriend nicknamed Fingers because he likes to cut them off dont take bad news well. To protect the stars digits, Toby attempts to pass himself off as a dance instructor. For his troubles, he earns a spanking from Fingers and a promise of more pain if Astaire doesnt come around. Not long after, Luna surfaces with a cut throat, never to dance again. Toby may not be a dancer, but to escape this deadly mire he has no choice but to stay nimble and keep his feet moving.
