

The Owl Thief: A Utah OBrien Mystery. (Minnesota Mysteries) (Volume 1)

Gossip, blackmail and murder in a small Minnesota town ...When the body of a local real estate agent is found at City Hall wearing one of Utah OBriens hand-made masks, its obvious that someone is trying to frame her for the murderbut is it the same person who killed Larry Webb?The timing for this crisis couldnt be worse. Theres a local election coming up in three days. Utah is running in that election, and she hoped to win.The scene of the murder couldnt be worse, eitheronly six people have a key to City Hall, and Utah OBrien happens to be one of them.The sheriff is out of town on a more important case. If shes going to clear her name, regain her reputation and, hopefully, win that election, Utah and her friends need to unmask the real killer before the voting startsand before anyone else gets killed.Youll like this book if you enjoy character-driven mysteries that include dogs who take an active, realistic role in the plot. Its filled with likable small-town characters and plenty of twists and turns to keep you guessing. This is the first Utah OBrien Minnesota Mystery. Almost non-stop drama and a fast moving plot kept me on the edge of my seat from start to finish ... Really enjoyed the mix of the small town charm, and the fun cast of characters (loved Jocko too). The Owl Thief has an unpredictable plot, and a sassy and smart heroine in Utah, infused with a compelling storyline - felt really believable. Megan KingGoodreads
