

dartiste: Digital Painting

dartiste: Digital Painting showcases the work and technical skills of: Linda Bergkvist, John Wallin, Philip Straub and Robert Chang. Each Master Artist presents their digital painting techniques through a series of tutorials which start with the original concept and step through the painting process to completion. dartiste: Digital Painting is broken into four sections based around each Master Artist. Artists sections include a personal gallery, the artists work and thoughts in their own words, a 20-page tutorial section, and an invited artist gallery featuring over 20 digital paintings from some of the most talented digital artists in the world.
