

Anna, Where Are You? (The Miss Silver Mysteries Book 20)

Hired to trace Anna Ball, who has vanished, Miss Maud Silver encounters an eccentric art colony, bank robberies and counterfeiting. As with other Miss Silver mysteries, the story relies on character development. Nadia May reads clearly and distinguishes individuals well; her British voice is ideal for this genteel period thriller (1951). Agatha Christie fans will enjoy this one. The narration is speeded up to fit six cassettes, but it is not hard to follow.
