

## Narcisse (French Edition)

Quand, pour la première fois, en 1846, je fus envoyée à la Faille-sur-Gouvre, la ville était malpropre, comme la plupart des villes de France, laide en ce sens qu'à l'exemple général du temps, on se était acharné à embellir sans goût, et à détruire sans discernement ses vieux édifices ; mais elle était bien située au bord d'un plantureux ravin, et le faubourg offrait encore des rues tortueuses, grimpantes, d'un effet original, et des groupes d'anciennes constructions assez pittoresques. Quand le destin m'y amena, je mis pied à terre avant d'arriver, et, me tenant enquis du nom de l'hôtel où le conducteur de la diligence déposerait mon bagage, j'entrai seul et pedestrement dans la ville. J'avais une lettre de recommandation, une seule, et pour cause. Je ne m'occupai pas de mon gîte ; je demandai la place de la Comédie (vieux style), on dit aujourd'hui la place de la Maison-de-Ville, bien que le théâtre, la mairie et le tribunal vivent encore en bonne intelligence sous le même toit.
