

Demon Flesh

A desperate heavy metal musician conjures demonic help to revive his career but finds himself at the bidding of a creature with a nefarious plan. They draw together a group of vulnerable, violent individuals: a Goth couple with deadly secrets, two men whose friendship began in a graveyard, a mother and son dependent on each other for sanity, a man twisted by reprehensible desires, a young woman obsessed with crime. They commit murder and depravity to serve the demon and fulfill their own desires. As the actions of his acolytes become unpredictable, the demon commands the abduction and desecration of an innocent for a most important final ritual.
