Struggling to cope with the day to day grind and the maddening desire to feed of a zombies life, he eventually rebels against it. Fighting against the impulses, he finds he can regain some mild control of his body. Happening upon a group of humans survivors, Steve is able to demonstrate the remnants of his humanity. This excites a few members of the surviving humans and they work with him to find other zombies like him. Along this spur of his journey, he makes some new friends and undergoes a striking change to help him in his quest to create a civilized area for zombies like him.
