

Digital Watermarking: 5th International Workshop, IWDW 2006, Jeju Island, Korea, November 8-10, 2006, Proceedings (Lecture Notes in Computer Science / Security and Cryptology)

This book constitutes the refereed proceedings of the 5th International Workshop on Digital Watermarking Secure Data Management, IWDW 2006, held in Jeju Island, Korea in November 2006. The 34 revised full papers presented together with 3 invited lectures cover both theoretical and practical issues in digital watermarking.
