

Stormin Mormon

When smart, sassy student Jerusha is assigned to interview sports radio talk show host, Saul, for a media arts class, there is an unmistakable chemistry between them. Both are insecure in long-term relationships, however, with nice but uninteresting people; Jerusha with the computer-obsessed Jared, and Saul with the perky but boring Shannon. Together, they form a plan to drive their significant others away without having to go through the awkwardness of simply breaking up. The plan is this: Pretend to convert to Mormonism and then become so totally Mormon that their lovers will have no choice but to leave.
