

Legal Affairs: M/M Mpreg Alpha Male Romance

Ryan is an omega, but hes also a senior associate on the fast track to partner. He doesnt have time for romance or starting a family. His life has always been about his career, and he likes it that way. Considering how much of his family depends on his law firm salary, its probably better for everyone that he stays unattached. All of this is fine until hes assigned a pro bono case defending an accused murderer. The prosecutor is an alpha. More than that, hes the perfect alpha for Ryan. Theres just one problem: he hates defense attorneys. Adam is a prosecutor, and he loves it. He comes from a long line of prosecutors and police officers, and his greatest high is putting violent criminals away. He doesnt have any patience for criminals or their apologists, until he meets an omega defense attorney he cant get out of his head. When flimsy evidence turns out to be part of a deeper issue in the town, can their love survive the resulting fallout?
