

The Illustrated Field Guide to Morons Drivers Edition

Few places on earth can rival the road for the sheer multitude of morons to be found there. Packed with hundreds of photographs, maps, and illustrations, this book will enable you to identify each species of moron before they crash into you. More than you ever wanted to know about morons like the Common Tailgater (*accidentus frequentis*), the Redlight Runner (*stupidus colorblindus*), the Western Snowbird (*octegenarius forgetfulus*), and the Leadfooted Imbecile (*licensus suspensus*).
