

Overview of the PMBOK® Guide: Paving the Way for PMP® Certification

This book is a valuable resource as it provides an introduction to project managements generally recognized good practices as described in A Guide to the Project Management Body of Knowledge (PMBOK Guide) Fourth Edition, published by Project Management Institute (PMI), the worlds leading association for the project management profession. Style and language make Overview of the PMBOK Guide especially useful for individuals who speak English as a foreign language and are preparing for PMIs certifications, particularly the Certified Associate in Project Management (CAPM) and the Project Management Professional (PMP).
