

SCOTTISH ROMANCE: The Highlanders Surrender Bride (Scottish Highlander Medieval Romance) (Historical Pregnancy Short Stories)

I am Abigail Cecilia Dubois Castlerey, and I am here to marry the Black Lord. Of course, she never meant to blurt out a proposal like that, well, honestly Abigail hadnt meant to propose at all. She was perfectly content to spend her days as a spinster firmly on the shelf as they said in London. But Scotland has different rules altogether and when shes betrothed to the notorious Black Lord of Scotland as a girl too young to understand, she takes it as a blessing as she gets older and still receives no word from him. That all changes after her fathers death leaves her all alone in the world, with the exception of her dastardly uncle. Thick in gambling debts he concocts a scheme to offer her hand in marriage to an equally despicable man in exchange for forgiveness of the money he owes. Upon learning of this, Abigail decides to take her life into her own hands and make good on the marriage arranged between her and Aryen MacCalium aka the Black Lord. She soon discovers that his reputation doesnt live up to the man he really is but that doesnt mean her heart is safe, actually, just the opposite. Free Bonus Books Included!
