

Dragonology Coloring Book (Ologies)

Calling all Dragonologists! Grab your markers or colored pencils and bring these dragons to life. Express your creativity with an artists companion to the beloved Dragonology. With intricate illustrations and fascinating facts, here is a chance to bring vivid color to an array of incredible dragons from the European and Frost dragon to the Chinese lung, the American amphithere, and many more. Both experienced and apprentice dragonologists, after learning about and coloring the dragons in this book, will be fully prepared for that all-important first dragon encounter.
