

The Fairy Godmother Dilemma: Catspell

A head cold can muddle the clearest of heads, and fairy godmothers are no exception. Which is why Nerissa finds herself agreeing to help Breena, a Damsel in Distress, even though she'd rather wrangle a whole posse of evil stepmothers than accept the job. To her credit, Breena, would rather kiss a hundred toads than work with a fairy godmother. After an ill-fated attempt to get out of their contract, Breena now has whiskers, claws, and a tail. Finding a suitable prince for a small, white cat isn't going to be easy, but that's the least of Nerissa's problems. The person who gave Breena the cat potion isn't going to stop until she's destroyed everything Nerissa stands for as a fairy godmother. If she wants to save Breena, Nerissa is going to have to figure out where the fairy tale went wrong and how she can bring a Happily Ever After to the only girl she's ever failed. Catspell is a retelling of The White Cat. 1st book in The Fairy Godmother Dilemma series. 2nd Edition June 2012.
