

Easy iBook (Ques Easy Series)

Easy iBook is a task-based tutorial that gives a new iBook buyer the full-color, step-by-step tasks they are most interested in. Topics include getting started, connecting to online services, searching the Internet with Sherlock 2, sending email, adding a USB device, using AirPort wireless networking, connecting your Palm device, using applications, working with disks, folders, and files, and working with iBook software to word process, crunch numbers, draw something, and more! The book also covers printing with iBook, personalizing your iBook, setting up applications, using iBook accessories (including Stickies, Scrapbook, Sherlock 2, Quicktime and more), and maintaining and troubleshooting your iBook.
