

OCR A Chemistry AS Student Unit Guide: F321 New Edition Atoms, Bonds and Groups

Written by a former senior examiner, Mike Smith, this OCR(A) AS Chemistry Student Unit Guide is the essential study companion for Unit F321: Atoms, Bonds and Groups. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiners advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade
