

Eighteen: (The Recollections of a Would Be Golf Legend)

Jack Nicklaus, Seve Ballesteros, Tiger Woods, Rory McIlroy, Brian Mooney. All of them golfing legends. Except for Brian Mooney, whos not. But for every Tiger or Rory theres a million Brians, guys who love the game and would have been legends had they only had the talent, ability and dedication required. This is not the story of pro golf, of long raking drives, majestic towering irons and success and triumph. This is a tale of laughter, frustration, dreams, frustration, enjoyment, frustration, hope and more frustration. This is Brians story. And its probably your story too. Enjoy the experiences of nearly forty five years of playing golf , of the characters and the places , told in the relaxed and witty style of the author. If youve played golf youll recognise and laugh at the situations that Brian has found himself in. If you havent played, you may not recognise the situations but youll laugh anyway !
