

## Again

From recess buddies to high school sweethearts, Eli Stone and Bonnie Jinks were constants in each others lives. Although young, their relationship had withstood the test of many teenage tribulations. Marriage and a happy ever after were in their future plans. One alcohol fueled mistake rips them apart. Bonnie ends up on the road with her new boyfriend while Eli joins the military. It seems as if their lives would never intersect again. A near fatal accident brings them together and their chemistry is undeniable. But will the pain of the past keep them apart? Can they make their love work again?
