

Ericas Choice

One three-alarm night ignites a firestorm of complications... High school teacher Erica Shannon isn't a one-night stand kind of girl. Pair that with an aversion to relationships, and she's resigned to no love life at all. Then one horrifying discovery propels her off her take-no-risks path, and into the arms of the stars of her midnight fantasies. When his friend and fellow firefighter threatens to make a move on Erica, Corey figures he'd better get over the notion that she's way out of his league?fast?before he has to stand in line. Griff never thought he'd get the chance to introduce Corey to the combustible delights of multi-partner play, until he senses the sheer volume of sexual energy surging beneath Erica's repressed exterior. A blazing night of passion has unexpected consequences. Corey is surprised to discover the woman of his dreams, and that he doesn't mind sharing her?or himself?with Griff. But Griff finds his heart pulled down a romantic path he vowed he'd never venture again. Erica? She's got a problem on her hands. Hold two hardwired-to-rescue firemen at arms length?and away from her heart?until she's fought and won a battle that may well destroy her. Warning: One tortured woman and two hunky Aussie firemen indulging in three-way love. Scenes of the male/female, male/male, male/male/female, and male/female/male variety (whew!). Also includes anal sex, mild spanking, cussing, phone sex, fire trucks, and tearjerker moments.
