

Estancias argentinas (Spanish Edition)

Este libro presenta mas de treinta estancias de todo el pais. La diversidad de los estilos refleja la singular mezcla de tradiciones criollas y europeas presentes en la arquitectura, los interiores, los parques y los jardines de los establecimientos rurales argentinos. Las fotografias de Xavier A. Verstraeten recrean, a todo color, el encanto de su vida cotidiana. El ameno relato de la historiadora Maria Saenz Quesada recorre su evolucion, desde el siglo XVI, hasta el extraordinario apogeo que alcanzaron hace un siglo, sin olvidar la importante funcion que cumplen en la actualidad. Junto a las antiguas fotografias en blanco y negro, reviven la leyenda y la realidad del campo argentino.
