

Exposed: Misbehaving with the Magnate (Mills & Boon Modern Heat)

Forbidden desire
Seven years ago Gabrielle was the housekeeper's daughter, and Luc Duvalier, as the heir to a vast fortune, was forbidden! One hot kiss got Gaby banished, but she returned home determined to face Luc as an equal in every way! Unleashed passion! The heat between them is all-consuming, and they both know it is only a matter of time before they give in despite the scandal this will cause. But this maverick magnate doesn't care - he aims to keep Gaby so busy that she never leaves again! Hot Bed of Scandal Modern Heat introduces Kelly Hunter's deliciously sexy new duet!

Exposed: Misbehaving with the Magnate (Mills & Boon Modern Heat) For me, Mills & Boon are a guilty pleasure, pure escapism. I know they'll be a little far-fetched, all about enjoyment and a happy ending and this didn't disappoint.
