

Fabulous Fishing Funnies

A collection of more than 150 comics from popular cartoonist Jonny Hawkins. Any fisherman who has ever been annoyed by the braggart fisherman loudly celebrating every single catch or who has ever wondered what goes through the minds of fish as they watch the hook descend upon them will be in good company here. *Fabulous Fishing Funnies* finds something funny in every possible fishing scenario, some realistic, others more imaginative. Reluctant relatives feasting on stuffed fish for Thanksgiving, a knight fishing with night crawlers, and a grizzly juggling fish are all featured. In this second volume of comics for anglers, Jonny Hawkins' humor turns on hilarious wordplay and comical contradictions, celebrating the absurd in mundane situations. The next time you've been waiting forever to feel a bite, remember these cartoons and you may just find your mood lifting instead. With more than 150 original, beautifully illustrated, and playfully captioned cartoons, this collection of fishing antics is sure to become a classic from syndicated cartoonist Jonny Hawkins. The perfect gift for anyone who has ever laughed at himself or a friend while fishing, *Fabulous Fishing Funnies* is page after page of laughs. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
