

## The Easy Guide to Final Cut Pro: For New Users and Old Pros

From the back of the book: What you need to know if you seriously want to edit digital video using Apple [Mac] Final Cut Pro [Version 2 or 3] editing software. This book has been written in response to a need for new users of Final Cut Pro who want to get to grips with this powerful editing program quickly and easily. It focuses on the nuts and bolts of the editing process. It will teach you how to complete a finished film.
