

The Withered Arm (Bridge Bilingual Classics) (English-Chinese Bilingual Edition)

The Withered Arm is written by Thomas Hardy, and he is one of the giants of Victorian literature. The story is set in rural England in the 1880s on a milk farm. As the story opens we meet a strange solitary milkmaid, Rhonda Brooks who works for the farm owner, Mr. Lodge. She has a 12-year-old-or-so son and we quickly gather there was once a relationship between her and Mr. Lodge and we think Mr. Lodge is probably the father of her son. A rumor spreads around the farm that Mr. Lodge is to marry. Everyone, especially Rhonda, begins to at once wonder what the soon-to-be Mrs. Lodge is like. And then the story begins with a lot of surprising plots. All in all, The Withered Arm is a wonderful tale in the Gothic manner.
