

Flyers and Explorers: A collection of books for English Language Learners (A Hippo Graded Reader)

[Flyers] It has always been mans dream to fly. In this book we meet the brave pioneers of the skies who have made that dream come true. John Damian, The Flying Priest, was one of the first men to attempt to fly when he jumped off a Scottish castle in 1506. The Wright Brothers achieved what many before them had failed to do, and became the first men to fly an airplane in 1903. The Red Baron, Manfred von Richthofen, was a daredevil pilot who ruled the skies over Germany and France in World War One. Charles Lindbergh was a fearless aviator who became the first man to fly across the Atlantic Ocean. Amelia Earhart fulfilled her dream of being the first woman to attempt to fly around the world, but at what cost? Felix Baumgartner reminded us that you dont always need a plane to fly when he jumped from space in 2012. [Explorers] Explorers is a collection of stories about men and women who were willing to risk their lives for the thing they truly loved... adventure. Read about the thrilling adventures of Marco Polo as he grew from a boy to a man on his travels along the Silk Road. Join James Cook on his captivating journey through the Pacific in search of the Great Southern Continent - a place many doubted even existed. Be amazed by the bravery of Robert Scott as he and his team battle freezing conditions in an attempt to reach the South Pole. Marvel at the courage and ingenuity of Lewis and Clark as they travel through uncharted territory to reach the west coast of America. Wonder at the bizarre experiences of Alexandra David-Neel, the Lady Lama, as she explored the mysterious mountains and mythical mystics of Tibet. Finally, join Viking 1 on a different type of adventure, as the probe travels into the far reaches of space to send us data on the Red Planet, Mars.
