

Lessons I Learned While Giving Lessons

Lessons I learned While Giving Lessons are observations made while instructing teenaged, adult, and foreign born student drivers. Parents, friends and even fellow driver instructors will benefit from this book. These observations are designed to give a hands on look on how to begin teaching someone to drive. Basic steering, braking, two point turns, three point turns, parallel parking are covered. Book also gives covers defensive driving, how to drive in traffic and even merging on and off of freeways. The focus of this book is the actual mechanics of each maneuver and proper execution.
