

# Buffalos H. H. Richardson Complex: History, Photos, and Facts of this Architectural Treasure

Buffalo, NY has many architectural gems. One of them is the H.H. Richardson Complex. It has recently been rebranded as the Richardson Olmsted Complex. This is to emphasize the genius of both the landscape design and the architectural greatness. This book provides some quick facts about the history of this structure. Read about this complex's creation, its use, its abandonment, and its rebirth. Several photos are also provided of the structure and grounds.
