

Spare Hearts

Lace up those bowling shoes! Candy and Sterling are the perfect couple, and fans of sweet, sexy love stories will be chuckling and sighing all the way through. Spare Hearts is so much fun you'll want to read it twice. -- Megan Hart, NYT Bestselling author of *The Space Between Us XXX*

Stuck in this dead-beat town for too long, Candy Jameson is itching for some action. And the magnetically sexy, Sterling Dey might just be her chance to get back in the game . . . at least for a night. Soon the sparks flying between Candy and Sterling ignite into a fiery encounter that scorches the lanes. But when Sterling wants more than just one night with Candy, she's not sure she's ready to bet her heart on a one-night stand. Former professional bowling champion Sterling Dey wants to reclaim his title. This sleepy alley in a small Texas town with no distractions is the perfect place to practice-until Sterling lays his eyes-and more-on the joints sultry night manager. As attraction becomes more than desire and the pins start stacking up against them, Candy and Sterling's future may just come down to the roll of the ball.
