

## Thanos Imperative #4

Written by Dan Abnett, Andy Lanning, Miguel Angel Sepulveda. The all-star alliance of sci-fi heroes strike! Silver Surfer, Quasar and Nova lead a make-or-break attack against the undying Lord of the Cancerverse forces! Its either total victory or utter defeat! Meanwhile, in the Cancerverse itself, Star-Lords rag-tag team learns whether attempting to make a deal with Thanos was the smartest choice they ever made-or the worst decision of their entire lives! Its more star-blasting adventure from the minds of Dan Abnett & Andy Lanning, the writing duo that IGN.com calls cosmic masters-(who have) deftly placed Marvels cosmic lineup back on top of the pack!
