

God Is Not Mad at You: You Can Experience Real Love, Acceptance & Guilt-free Living

When bestselling author Joyce Meyer posted Gods not mad at you on Facebook, she didnt anticipate that her words would trigger thousands of responses of gratitude and relief. Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In GOD IS NOT MAD AT YOU, Joyce will help those who havent truly received Gods love because they are afraid of His anger and disapproval. She explores the source of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include: * Perfectionism and Approval * The Pain of Rejection * Guilt and Shame * Developing Your Potential * Run to God, Not from Him * Getting Comfortable with God It is important for us to remember that Gods anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing Gods Word. Believe that God loves you and that He is ready to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!--Joyce Meyer
