

Sport, Leisure and Tourism Information Sources

Sport, Leisure and Tourism is a practical guide to finding information, encouraging readers to make active use of libraries in their research. This book provides readers with an understanding of the major information search tools which are available. It is a starting point in the search for information which offers advice and indicates some of the major sources which are available. Sport, Leisure and Tourism Information Sources is aimed primarily at final year undergraduate and postgraduate students who are preparing a dissertation in the area of sport and leisure studies who need access to information sources. It is also ideal for academics for teaching purposes and practitioners in the sport and leisure industry needing to undertake research.
