If you are starting the process of studying for the PMP test, and find yourself a bit overwhelmed by all the information out there, or if you are thinking about taking the PMP test then my personal story of how I passed the PMP test the first time will indeed help you figure this all out. This e-book summarizes what it takes to apply for, and pass the Project Management Professional (PMP) test the first time. Make no mistake: it takes many hours, and a lot of effort to pass the PMP test the first time, and from my experience there are no short cuts. This e-book details the step-by-step process of how I passed the PMP test the first time. I will also explain how I coached someone to pass the PMP test the first time with only two weeks left before the PMP test. She did all the work to memorize and comprehend all that was required, and I was there at the end to help coach her across the finish line. This e-book will help guide you to develop your own plans, and strategies to pass the PMP test the first time. No one wants to fail the PMP test, and have to take it a second time. This e-book will help make sure this does not happen to you!
