

## Revelations of the Night Before

Unmasking the enemy Valentina D'Angeli is pregnant. And the father? The man she shared one sensational night with after a masquerade ball. It wasn't until she stole a peek under his mask while he was sleeping that she discovered he was her brother's sworn enemy Niccolo Gavretti! For this ruthless Italian there's only one solution to Valentina's bombshell: put a ring on her finger no matter how much she refuses. And if he has to take her to bed to make it happen, hell, she'll enjoy every single minute of it! A powerful, compelling and emotionally intense read. Stay up late to finish it! Sue, Scientific Administrator, Barnstable
