

Harvest Moon (A Virgin River Novel)

Return to Virgin River with the books that started it all. The recipe for happiness: making it up as you go along. Rising sous-chef Kelly Matlocks sudden collapse at work is a wake-up call. Disillusioned and burned out, shes retreated to her sister Jillians house in Virgin River to rest and reevaluate. Puttering in Jills garden and cooking with her heirloom vegetables is wonderful, but Virgin River is a far cry from San Francisco. Kellys starting to feel a little too unmotivated until she meets Lief Holbrook. The handsome widower looks more like a lumberjack than a sophisticated screenwriter. A combination Kelly finds irresistible. But less appealing is Liefs rebellious stepdaughter, Courtney. Shes the reason they moved from LA, but Courtneys finding plenty of trouble even in Virgin River. Kellys never fallen for a guy with such serious baggage, but some things are worth fighting for. Besides, a bratty teenager cant be any worse than a histrionic chef. Right? Look for What We Find by Robyn Carr, a powerful story of healing, new beginnings and one womans journey to finding the happiness shes long been missing. Order your copy today!
