

The Used World

The Used World Emporium is the sprawling antique store where Hazel, Claudia, and Rebekah pass their days surrounded by dusty furniture, cast-off clothes, and ancient housewares. But with the unexpected arrival of two babies and the unfolding of not one but three love stories, each spanning generations, their formerly used world becomes new again. Heartrending, hilarious, and inspiring by turn, The Used World is the book that Kimmels loyal fans have been waiting for - and it is certain to win her legions of new ones.
