

## Still Ranting After All These Years

If you thought Dennis Miller was done ranting, guess again. In *Still Ranting After All These Years*, recorded in early 2002, Miller is in fine form, commenting on everything from War and Terrorism to Enron; from Obsessed Parents to the End of Class; to Truth in the Media and so much more. Throughout, Miller is what we have come to expect from him: smart, cutting, laugh-out-loud funny, and more times than not...right.
