

## Heiress Recon (The Recovery Men)

Brianna Waverly had barely escaped death once. So she had little choice but to accept the protection of former navy SEAL Troy Sinclair. Spirited away to a tiny cabin, her safe house was as far removed from her heiress lifestyle as she could imagine. And her bodyguard so much more exciting than any man she'd ever known. Troy wasn't pleased to be playing house when danger lurked behind every door. Especially when the woman he had to protect was proving impossible to resist. But emotion was an entanglement he couldn't afford because the ultimate price would be their lives.
