

Hellspawn #12

An evil will be born from the belly of a young mother possessed. From this birth will be spat the Hellspawns torment and rage, and the greatest challenge of Spawns existence. The Powers are surfacing, crawling from the cuts and wounds of the dying, eager to claim the throne vacated by Malebolgia's demise. But there is another presence on the scene, standing between Spawn and his destiny. A hero lost in the fabric of time and the imagination whose time to re-emerge has come!
