

Little Moonlight

Mills & Boon presents the complete Betty Neels collection. Timeless tales of heart-warming romance by one of the worlds best-loved romance authors. Her new boss meant one thing - trouble! Looking after her invalid mother, Serena had accepted long ago that the bright city lights were not for her. Hardworking and quiet, she was perfectly happy with her life - until the Dutch consultant Marc ter Feulen turned it upside down. As her new boss, he was arrogant and demanding. As a man, he was altogether too attractive for Serenas peace of mind!
