Twenty-five spectacular houses. Hundreds of full-color photos plus floor plans. Presents the story behind each design. What makes a house a home? That's the question answered by each of the twenty-five remarkable houses showcased in this colorful book, illustrated with hundreds of photographs and floor plans. In-depth commentary by the contributing architects explores the personality and mood of each design, as well as the technical details. Houses Now takes readers into the minds of the designers and the homeowners to reveal how thinking outside the box produces beautiful and inspiring architecture.
