

How to Seduce a Scoundrel

Miss Julianne Gatewick is in a pickle. It started when her brothers best friend-for whom shes long nursed a secret tendre-agreed to act as her guardian for the Season, only to seduce her with a risque waltz. But when the music stopped and the expectant ton waited for Marc Darcett, Earl of Hawkfield, to claim her as his own, he made his disinterest clear. Rather than succumb to humiliation, Julianne does what any self-respecting, recently discarded young miss with a wicked sense of humor would do. She secretly pens a ladys guide to enticing unrepentant rakes . . . and it becomes the hottest scandal sheet in London. Every honorable rake knows that friends sisters are forbidden. But suddenly Julienne has a spark of mischief in her eyes that Hawk cant resist. Try as he might to push her away, he spends his days listening for her laughter and his nights dreaming of kissing her senseless. Hes always avoided innocents and their marriage-minded mothers, but has the man least likely to wed finally met his match?
