

Video Script Writing: How to Write Better Scripts for Your Video (Q & E Series) (Volume 1)

Do you need to create a short fast video? Perhaps its a How To Video or a PR video on YouTube to promote your business. In this short book, Jonathan Halls explains why you need a script and how to write one. He explains what communication is and explores how it works in video. He then shares specific writing techniques such as sentence construction and word choice to make your short web videos quick and easy to understand. If youre winging it with your video and skipping the process of writing scripts, you are missing some real benefits. A well written script will make your video more engaging, save you time and money in production and make you or the people on camera look and sound better.
