

I Found Me Appalachian Stories From a Lost Hillbilly Girl

Whats it like growing up deep in a holler in Kentucky? No, this is not a Loretta Lynne bio. After reading some of these stories, youll learn to appreciate the finer things in life such as inside plumbing, electric heat, and your car! Feel the loneliness of growing up as an only child in an addictive chaotic family. Feel the shame of being singled out at school by teachers and students just because youre poor and unkept style. Yet be amazed and humored by it all as well. These stories touch the heart and reminds us that God has us on a journey to a better life.
