

The Last Telegram

Decades ago, as Nazi planes dominated the sky, Lily Verner made a terrible choice. She tried to forget, but now an unexpected event pulls her back to the 1940s British countryside. She finds herself remembering the brilliant colors of the silk she helped to weave at her family's mill, the relentless pressure of the worsening war, and the kind of heartbreaking loss that stops time. In this evocative novel of love and consequences, Lily finally confronts the disastrous decision that has haunted her all these years. *The Last Telegram* uncovers the surprising truth about how the stories we weave about our lives are threaded with truth, guilt, and forgiveness.
