

Camara De Gas / the Chamber (Spanish Edition)

Adam Hall lleva apenas un año en uno de los bufetes más prestigiosos de Chicago cuando se presta voluntario para la defensa del caso más difícil que se haya visto en el ramo. Su futuro cliente no quiere ni a Adam ni a su bufete. Es un racista declarado e impenitente, con un historial repleto de violencia. Se encuentra en el corredor de la muerte por el asesinato de dos niños judíos, en un atentado horrible que tuvo lugar en 1967. ¿Por qué iba a querer a un abogado novato como Adam para que le defienda? ¿Y por qué querrá Adam tan desesperadamente llevar este caso? La respuesta está en el pasado, en un secreto que lleva veinte años enterrado en la sinrazón de otra época. Irresistible... Poderosa... Camara de gas hará que los lectores reconsideren a conciencia la pena de muerte. USA Today
