

Field to Market 2013 Deluxe Wall Calendar

Sherri Buck Baldwin's paintings invite the viewer to look beyond the surface of her art. She often layers her work with delicate swirls, subtle shadings, or even old maps. The result is a depth not usually achieved by traditional two-dimensional art. With the addition of her vibrant use of color and delicate detailing, the effect is visually stunning. Locavores and farmers market shoppers' mouths will water over this calendar. Each luscious monthly spread of the Field to Market 2013 Deluxe Wall Calendar features a colorful scene of fruits, veggies, flowers, and homemade delights found at local markets.
