

Field to Market 2013 Large Monthly Planner Calendar

Sherri Buck Baldwin's paintings invite the viewer to look beyond the surface of her art. She often layers her work with delicate swirls, subtle shadings, or even old maps. The result is a depth not usually achieved by traditional two-dimensional art. With the addition of her vibrant use of color and delicate detailing, the effect is visually stunning. There's plenty of space to write in this monthly planner, whether it's a reminder of a business meeting, sports practice, or a trip to the farmers market. Each oversize spread of the Field to Market 2013 Large Monthly Planner Calendar features a detail from one of Sherri Buck Baldwin's paintings.
